Old Business: LED Lighting – incentive check
Hyde-Stone revised HVAC proposal
West Lake / Lakeshore Road Projects

New Business: Trash Can Law. Discussion of enacting a Trash Can Law. It seems there are places around town that are leaving cans by the roadside and it is creating a nuisance and garbage being blown around those areas. Mr. LaBarge indicated he would rather try to work directly with the offending property owners to resolve the issue instead of enacting a new local law. The board agreed this would be the best course of action at this time. Will revisit if necessary.
